Our mission of Making Communities Healthier® has always been central to the contributions we make to Las Cruces, Dona Ana County and the surrounding area. As our region found itself impacted by the COVID-19 pandemic, that mission became even more critical to the well-being of our community. Health and safety mean everything at Memorial, which is why more than 81 percent of our staff and providers are vaccinated against COVID-19. We are also proud to have administered 23,640 COVID-19 vaccine doses to the community with the support of local and state agencies and our national healthcare network. LifePoint Health's continued support – and yours – allows us to create places where people choose to come for healthcare, physicians want to practice and employees want to work. As we look ahead to a bright future, we look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

— John Harris, CEO

In 2020, we...

...added 121 employed, affiliated, telehealth and temporary providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in cardiology, bariatrics, emergency care, family medicine, hematology/oncology, interventional radiology, neurology, OB/GYN, orthopedics and more.

...made more than \$1.1 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included robotic surgical technology, equipment replacements, building upgrades and an energy reduction program.

...distributed a payroll of \$108,159,295 to more than 1,400 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$32.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$20,547,919 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

SPONSORSHIPS AND DONATIONS

Memorial Medical Center's role as a community leader continued and expanded during the COVID-19 pandemic. We were proud to be a Governor-appointed "hub hospital" for the entire region, coordinating assets and resources with local, state and federal leaders, and investing in COVID-19-related efforts like community testing, vaccinations and other pandemic-related efforts.

In addition, it was our pleasure to be able to support the following activities and organizations during the past year:

- DACC EMS Department
- Greater Las Cruces Chamber of Commerce
- Mesilla Valley Economic Development
- New Mexico Center for Nursing Excellence
- Southern New Mexico Community Foundation
