Memorial Wins 27 Awards Across 18 Categories In Bulletin's Best Competition

I am proud to share the results of the 2021 *Bulletin's Best of the Mesilla Valley* contest. Memorial Medical Center, our staff and physicians placed very well this year. We were nominated in 18 categories and we placed first, second or third in all 18. We won 15 categories with the other three won by physicians on the MMC medical staff. The outstanding staff and providers associated with Memorial create a level of quality, safe care for our patients that is recognized by the community. As you can see, there are numerous categories that show our commitment to quality, safe care, and the community we serve.
