## Beloved Former CFO Ray Grenier Loses His Battle With Cancer

It is with profound sadness and a heavy heart that we bid a final farewell to our friend and colleague, former Chief Financial Officer, Ray Grenier. Ray was diagnosed with brain cancer last fall. He fought a valiant battle and was with his loving wife, Julie, when he passed away on Friday, February 22, 2019. Ray was known by many of the 1,300 employees at Memorial and was loved by all. He was instrumental in helping Memorial grow into the quality, successful health system that it has become over the last 5 years. He was tireless in his work, and always maintained a fun and positive attitude. Memorial is a better place because of Ray Grenier. When he retired, due to his health, he was very pleased that Steve Winegeart took over the position of CFO. He felt that Memorial is in good hands. Ray will remain in our hearts forever.

## Dr. Dolores Gomez Appointed to Community Foundation Board

Dr. Dolores Gomez, Memorial's Chief Medical Officer, and faculty with the Southern New Mexico Family Medicine Residency Program, has been appointed to the Board of Directors of the Community Foundation of Southern New Mexico for a three year term. Dr. Gomez also serves on the Board of the New Mexico Academy of Family Physicians and was formerly their Board Chair. The Community Foundation was founded as a result of the sale of Memorial Medical Center by Dona Ana County 30 years ago. As a center for charitable giving the Foundation supports the arts, feeds the hungry, expands literacy, improves health, and supports many other causes in Southern New Mexico. We are proud to support the Foundation through Dr. Gomez's time and expertise and our donations.
