

# Our Community Impact

Memorial Medical Center

**Memorial Medical Center's** mission of *making communities healthier*<sup>®</sup> is at the heart of everything we do. It is deeply embedded in how we provide high-quality care for patients, expand and enhance our services, and make meaningful investments to promote the health and economic growth of our region.

For us, healthcare is personal. We are caring for our own neighbors, family, friends and loved ones. That's why we focus on advancing local care and keeping patients where they want to be – close to home. We are committed to meeting the unique needs of all those we serve, both inside and outside our hospital walls, and strive to be the preferred healthcare destination when our community members need care.

Together with Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. It is our privilege to serve you.

We are pleased to share this summary of our impact in 2025.

## 2025 Community Benefits

### Added new providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in behavioral health, cardiology, cardiothoracic surgery, gastroenterology, emergency and family medicine, hematology/oncology, otolaryngology, orthopedics, sports medicine, urology and more.

### Invested more than \$18 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a telemetry monitoring system, brachytherapy, a refresh for the main hospital and ED lobby, sixth floor refurbishments, a pediatric transport isolette and microbiology equipment.

### Donated more than \$68.6 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

### Paid \$41,557,729 in taxes

We are proud to be a leader in our region, and our dedication to fiscal responsibility extends to both our hospital and community.

### Distributed a payroll of \$140,822,539 to our employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

To the delight of families and children across our community, MMC's new mascot, "Memorial Marty," made his debut at many community events and fundraisers in 2025.

Proudly celebrating 75 years of service to our community, Memorial turned back the clock with a 1950s-themed Hospital Week bash.

More medical care is now available close to home for residents in Southern Doña Ana County, as we officially opened our new Anthony Urgent Care.
