Family HealthCare North Main Now Open for Walk-Ins and Appointments

Memorial Family HealthCare NORTH MAIN

On Monday, July 8th, Memorial opened a Family HealthCare center at 2611 North Main Street. Memorial Family HealthCare-North Main is open Monday through Friday from 7:00 AM until 7:00 PM. **Primary care for children and adults is available by appointment at 575-449-4424 or walk-in patients are always welcome.** Dr. Mai Oushy and Antoinette Green, Doctor of Nursing Practice, are welcoming their former patients as well as new patients at this new location. A Grand Opening celebration and Ribbon Cutting with food and free health screenings and a Live Remote by 101 Gold will be held from 10:00 AM until 2:00 PM on Saturday, August 17th. All are invited!

Mai Oushy, MD

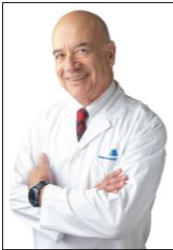

Antoinette Green, DNP, FNP-BC

Memorial Internal Medicine Campus Office Moving to West Picacho Ave.

Memorial Internal Medicine

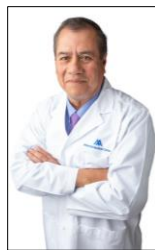

Edna Juarez, MD

Louis Benevento, MD, FACP

Syed Ahmed, MD

Gaudencio Pavia, MD

We opened two Internal Medicine practices last year in order to serve the growing need in our community for specialized healthcare for adults. Drs. Juarez, Benevento, and Ahmed have had temporary offices on the Memorial campus, but will be moving to 3030 W. Picacho Avenue as of July 22nd. This new location is on the west side of Citizens Bank....a little hard to find, but more spacious and convenient. Appointments at Picacho may be made by calling 575-556-6470. Our second Internal Medicine practice, with Dr. Pavia, will remain at 1180 Mall Drive. Appointments may be made there by calling 575-523-4344.

Cancer Center Pharmacist Gets Top-Notch Rating From Patient/Family

Memorial is great because of our superb team. We recently received a note from a family member of a patient who was starting chemotherapy telling us what a superb job our Pharmacist, Brittany, did thoroughly answering their many questions, teaching them about the drugs that will be used for treatment, and helping them navigate the process. With all cancer center patients, we provide education before they start treatment, so they know what to expect and how to handle questions and concerns throughout the process. "Brittany was never frustrated, upset, or put off by my husband's questions," the note stated. "I was able to follow along and walked away knowing what he was going to get and what to expect. It was an excellent session. A top-notch program you run." Thank you, Brittany, for outstanding care!
